ASK SHARON QUESTIONS & ANSWERS:

QUESTION: How can I purchase a Skype™ gift certificate for my son who lives in another State?

ANSWER: Simply telephone our office and we will prepare either an eCertificate that can be emailed or a traditional gift certificate, which can mailed to you or directly to your son.

QUESTION: How long do the benefits of hypnotherapy last?

ANSWER: Each individual reacts differently to hypnotherapy. On average, once results are reached, the affects are permanent. The programming in your subconscious mind is changed permanently and should last for the duration of your life.
